## SUMMARY

Hi! I'm Rinaldi Ihsan Setiawan, originally from Medan, North Sumatra. Currently, I am an active student pursuing a degree in Computer Science at Malikussaleh University. I am focus revolves around becoming a full-stack JavaScript web developer.

In the realm of front-end development, I specialize in React.js and Next.js. On the back-end, my expertise includes technologies such as Express.js, Node.js, SQL, NoSQL, and utilizing Prisma as the ORM. I am passionate about creating seamless and efficient web applications through a holistic understanding of both front-end and back-end development.
